Sub: Record Note of discussions of separate meeting held by Member(Infrastructure) with NFIR on 03.04.2024 on PNM/NFIR item No.16/2021 regarding "Reduction of Beat length for patrolling of railway tracks".

As per revised Minutes of the separate meeting of PNM/NFIR with Member(Infrastructure) held on 03.04.2024 in Railway Board, item no.16/2021 "Reduction of Beat length for patrolling of railway tracks" was discussed and the following was decided:

*"Wherever there is specific issue based on geographical condition of terrain and intensity of traffic, subject needs to be reviewed and action will be taken by GMS accordingly to ensure safety of staff"*

Therefore, all Zonal Railways are requested to follow the above instruction in true spirit.
