

SRES - NFIR

Southern Railway had announced for cancelling of 53 train services inbetween MSB – TBM – CGL from morning 9.30 hrs onwards from 23.07.2024 to 14.08.2023 due to re-modelling @ TBM & maintenance work. This will affect our Railway employees and office goers for commuting duties.

After our representation and strong protest through e-media (Sun News), etc., now administration has agreed our suggestion and changed the cancellation of train service timings from night 22.30 PM to morning 2.30 AM instead of day time.

Thanks to Administration
