

Times of India Newspaper had published on 2.5.2013 that “Left Union leads in railway polls in West Bengal” - The CITU richly compliments for securing recognition in three zones - Eastern Rly., South Eastern Rly., MTPRMU by the support of left parties (Marxist Communist) but all the above Unions are affiliated in AIRF. No doubt SRMU & DREU are one and the same union, only showing drama in S.Rly. Employees understand the reality.
