OPTION FOR ANNUAL INCREMENTS

IMPORTANT TO ALL EMPLOYEES

As per Rule 10 of RSRP Rules 2016 corresponding to Rule 10 of CCS/RP Rule 2016, employees can exercise their option for choosing increment date as 1st January or 1st July (instead of existing 1st July depending on the date of his appointment, promotion & grant of MACP).

At the time of promotion / MACP if the employees did not permit to exercise option under FR 22 (ie) to fix the pay after drawal of next increment on 1st July, otherwise the employees going to loose heavily.

For example Mr 'X' promoted between 2nd January & 1st July 2017, he will not be eligible for annual increment due on 1st July 2017 and will be eligible for next increment on 1st January 2018. In other words, he will get next annual increment only after 18 months.

This serious anomaly was taken up by NFIR with Railway Board. Dr.M.Raghavaiah GS/NFIR had written letter to Railway Board on 23.08.2017 and have already included an AGENDA in the Anomaly Committee.

We SRES/NFIR, demands that the FR 22 should continue, awaiting for reply from Ministry of Finance (MOF).
