FIGHTING FOR CAREER GROWTH / AVENUE FOR PROMOTION OF POINTSMEN

- 1) Many cadre structure have four levels promotional hierarchy.
- 2) Critical Safety Category of Track Maintainers / Technicians have promotional avenue from 1800 to 4200.

Level	Trackmen	Technician
1	1800	1800
2	1900	1900
4	2400	2400
5	2800	2800
6	4200	4200

- 3) But Pointsmen category promotional avenue is only one ie. GP 1800 to 1900.
- 4) The Pointsmen are doing multivarious duties like Gate Keeper, Station work, duties of Pointsmen, Shunting duties etc. They are greatly affected due to closure of major yards, cabins etc. But, sadly they are not provided cadre structure for promotion beyond pay level 2 (GP 1900).

SRES/NFIR suggested the following promotional avenue for Pointsmen duly integrating the post of Pointsmen, Shunting Jamadar and Shunting Master

Category	GP	%
Pointsmen B	1800	10
Pointsmen A	1900	30
Shunting Jamedhar	2400	30
Shunting Master	4200	30
