**FLASH !!**

**All Women Track Maintainers are aware that we have already pursuing for the re-deployment of Women Track Maintainers. Already Committee has been constituted. Now, Board gave reply to GS/NFIR that considering the strenuous nature of job and tough working conditions of Track Women, the request of women Track Maintainers for change of department will be considered.**

GOVERNMENT OF INDIA  
MINISTRY OF RAILWAYS  
(RAILWAY BOARD)

No.E(NG)I-2015/TR/10 Pt

New Delhi dated 02.04.2019

The General Secretary,  
NFIR,  
3, Chelmsford Road,  
New Delhi-110 055.

Sub : Induction of Female employees in Railway and  
other Central Government Departments – reg.

Dear Sir,

The undersigned is directed to refer to NFIR's letter No. 11/1/2019 dated 29.01.2019 on the above subject and to state that there is no ban in place against recruitment of female candidates to Track Maintainers Category though admittedly the nature of the job and working conditions are strenuous/tough. Notifications for Level-1 recruitment are underway in which a significant portion is for Track Maintainers. With finalization of above 2 recruitments (CEN 02/2018 & CEN1/RRC/2019), position should ease and transfers of eligible Trackmen to other Department as provided for in rules should be able to be effected without problems.

It is hoped that the Federation would appreciate the position.

Yours faithfully,

  
For Secretary, Railway Board
