DISMISSAL FROM SERVICE OF LOCO PILOTS - SE RAILWAY

We SRES strongly condemn Railway Administration for dismissing the Loco Pilots of SE Rly., from service due to collision of two Goods Trains in Adra Division of SE Rly., without Inquiry. Loco Pilots are ready to face Inquiry.

The collision had taken place as the Loco Pilots worked continuous night duties and they also worked beyond 12 hrs continuously. Performing excessive night duties has caused fatigue, thus the “microsleep” was beyond the control of human being due to biological factors of human body.
