

# **SRES – NFIR**

**Are we getting DA according to the increase in price of commodities?**

**Dearness Allowance paid in the earlier Pay Commissions :**

<b>7<sup>th</sup> CPC</b>	<b>-</b>	<b>At Present</b>	<b>-</b>	<b>01.07.2023</b>	<b>-</b>	<b>46%</b>
<b>6<sup>th</sup> CPC</b>	<b>-</b>	<b>10 yrs back</b>	<b>-</b>	<b>01.07.2013</b>	<b>-</b>	<b>90%</b>
<b>5<sup>th</sup> CPC</b>	<b>-</b>	<b>20 yrs back</b>	<b>-</b>	<b>01.07.2003</b>	<b>-</b>	<b>59%</b>
<b>4<sup>th</sup> CPC</b>	<b>-</b>	<b>30 yrs back</b>	<b>-</b>	<b>01.07.1993</b>	<b>-</b>	<b>97%</b>

But now we do not know, how All India Consumer Price Index is being accounted for calculation of arriving the above %age of DA.

We demand Government to take into account the real price increase for calculation of DA / DR percentage.
