Number of representations brought to our notice by the SC/ST Track Maintainers that they proposed to conduct online Pre-promotional training courses for the selection for the post of JE/P.Way in Level 6 against 20% LDCE from 26.10.2023 to 11.11.2023.

The employees are not able to cope-up with the online classes, they are not able to understand and prepare for the examination. Many subjects of technical related subjects imparting theoretically/practically is very much essential particularly in the training centre. The employees are very much disappointed and frustrated for attending online classes.

We therefore request you conduct offline classes which will be easy for the candidates to understand and interact with the training faculties at the training centre.

Thanking you,

Yours faithfully,  
  
(P.S.Suriyaprakasam)
