To

**The Divisional Railway Manager,
MAS, TPJ, MDU, PGT, TVC, SA.**

**The Chief Track Engineer,
Southern Railway,
Chennai.**

Sir,

Sub : Provision of Water bottle of adequate capacity to Track Maintainers.

Time and again SRES has been representing for supply of adequate water bottles to the Track Maintainers. Though many Trackmen are being supplied water bottles only 2 litres. Employees are working from morning to evening in the large / lengthy sections, they should be supplied 5 litres instead of 2 litres. During our field visit many have highlighted inadequate water supply. Somewhere they are forced to work without water. In this connection a standing order was given by GM / Western Railway for supply of 4 litres instead of 2 litres (copy enclosed).

We therefore request you to kindly arrange to supply 5 litres water bottles to the Track Maintainers and a suitable instructions to be issued to all the Sr.DEN/Co-ordination.

Thanking you,

Yours faithfully,

(P.S.Suriyaprakasam)
JGS/NFIR & GS/SRES
