Sir,

**Sub : 1) Protection for on duty employees at DSL/TNP.  
2) Theft taken place at DSL Shed / TNP / Power Pack Room  
(Governor section side & also other shed premises).**

Ref : JGS/NFIR Lr.No. 104/TNPM/DSL dated 19.01.2017.

\*\*\*\*\*

The following problems are brought to your kind notice for necessary action please.

The outsiders are seriously threatening the Railway system, now & then thieves are entering into DSL Shed/Tondiarpet. Governor side of the Power Pack room door and cupboard were broken and tools & copper tubes were stolen by the thieves on 27/28.08.2019. And also motors, induction heater, released carbon brushes, electrical boxes, etc., from the shed floor were stolen away by the thieves and they were found near the bushes (outside the shed), this was noticed by our staff today morning while coming for duty. Due to inadequate strength of security forces, they are unable to concentrate in the vulnerable places like Marshalling yard & DSL Shed.

Earlier (4 yrs back), good number of WDS 4-B Locos were grounded and stabled nearby shed where many outsiders entered and also removed many high valuable components from the Locos.

SRES had already represented on 19.01.2017 quoting number of incidents. 325 staff are working in TNP DSL Shed including 30 women employees. There were four robbery incidents, many had lost their valuable items like wrist watch, cell phones, gold jewels etc.

Recently, in the month of May 2019, one employee by name Shri. Amirthalingam, ChOS/DME/O/DSL/TNP was attacked by armed thieves and stolen away his cell phone

and cash. On 30.05.2019, the miscreants brought a dead body in Auto and left behind DME office (this incidence came in the Dina Thanthi News paper). Another employee by name Sri.Kiran Kumar, Tech.III/DSL Shed (Sports person) while attending night duty was also attacked by miscreants, he escaped from the thieves. Though many complaints were lodged, there was no tangible action.

The employees were always being threatened and fear psycho gripped and life threat to the employees. It is seen from the above all incidents that miscreants can do any damage to our system and Locos.

Therefore, we request you to kindly take immediate action duly posting the Security Personnels and also kindly use your good office to bring State Police to curb the miscreants activities.

Thanking you,

Yours faithfully,

(P.S.Suriyaprakasam)
