To
The Principal Chief Commercial Manager,
Southern Railway,
Chennai.

Madam,

Sub : Synopsis of problems facing by Ticket Checking staff of TPJ division.

The following are the problems / grievances brought by TPJ division Ticket Checking staff for your kind information and necessary action please.

With effect from 25.08.2019, the BG I & BG II system has been implemented in TPJ division. Though BG I & BG II working system was effected very meager trains are running. The employees are asked to work the same trains repeatedly due to few trains, the employees are experiencing much hardship.

- The Anantapuri Express (T.No. 16723 / 16724) which was earlier manned by TPJ division to be restored back to TPJ division for manning.
- The Mysore Express (T.No. 16231 / 16232) running between Mayavaram & Mysore, the AC Coach manned by TPJ division also withdrawn. This train is presently manning by Salem Division Ticket Checking staff, only 2 Salem Ticket Checking Staffs are manning the Mysore Express upto Mayavaram (many coaches are left unmanned).
- The Ernakulam Express (T.No. 16187 / 16188), at present TPJ to ED manning by TPJ depot staff (only 2 ½ hrs), the TPJ staff are willing to work upto ERS.
- Similarly, TPJ Division staff willing / ready to man Quilon Express (T.No. 16101 / 16102) – TPJ to MS & TPJ to QLN.
- The Chemmozhi Express (T.No. 16615 / 16616) presently working by CBE staff upto Mannargudi. They are not willing to man upto Mannargudi since no proper facilities at Mannargudi TC staff room. Many trips the trains were running with inadequate strength.
- Before bifurcated BG I & BG II the staff strength has not been properly bifurcated as per seniority/ gradewise.

We therefore request you to kindly study and solve the above problems / grievances and then implement the BG I & BG II depot system. Till then kindly keep it is abeyance.

Thanking you,

Yours faithfully,

(P.S.Suriyaprakasam)
