Dear Sir,

Sub: Carrying fog safe devise (FSD) by Loco Running Staff (LP/ALP)-reg.

In recent times, fog safe devise (FSD) has been introduced on all Zonal Railways which needs to be carried by LP/ALP while on duty and same to be returned back to his parent lobby while signing off. Till such time this fog safe devise (FSD) will be under the custody of LP/ALP.

Many running staff are agitated as they are already over loaded with their personal baggage and FSD will become further difficult to carry when running rooms are away from crew lobby. They apprehend that there may be possibilities of theft when kept in running rooms. Running Staff also complained that, they are losing concentration while driving due to frequent alarm and continuous watch on FSD.

NFIR, therefore, desires necessary system be introduced so that this FSD be handed over to Loco Pilot at the time of departure from platform only and same to be collected on arrival at destination.

Yours faithfully,

(Dr. M. Raghavaiah)
General Secretary
