Sir/Madam,

**Sub : Preventive measures to control Corona Virus spreading through
human waste in the pitlines / sicklines.**

As you are aware about the precautionary measures to be undertaken to control Corona virus disease (COVID 19), time and again Railway Board have been issuing number of preventive action circulars to follow meticulously.

We SRES/NFIR brought the following for your kind information and necessary action please.

The trains running from the corona affected states of Maharastra and Southern States, when the coaches are berthed in the pitlines for maintenance while testing the Bio-Toilets / CDTs the excess water being discharged at the pitlines which causes dangerous in spreading of corona virus.

SRES had already brought out about the hardship & serious health problems experienced by the staff of C&W, TLD, AC and Traffic of BBQ yard due to improper maintenance of Bio Toilet and Control Discharge Toilet System (CDTS).

Therefore, we request you to kindly take action to follow some mechanism and preventive check before the train formation being berthed in the pitlines for maintenance.

Thanking you,

Yours faithfully,

(P.S.Suriyaprakasam)
JGS/NFIR & GS/SRES

**Copy to : 1) GS/NFIR for information, he is requested to take up at
Railway Board level.**

2) All DP & DS of SRES for information pls.
